Following process was defined to cover non-members for trips/travel sponsored by FWSA & LAC member clubs.

An individual who is not a member of a LAC club (subsequently referred to as *non-member*) may participate in that club's trip (referred to subsequently as *sponsoring-club*) and be covered by the sponsoring-club's trip insurance by adhering to the following process. Note: a non-member is defined as someone belonging to a different LAC club or not a member of any club.

- When a non-member signs up to participate in a trip, the sponsoring-club will charge the non-member a *one-time-per-year* \$10 surcharge to cover annual trip insurance coverage; this surcharge covers all trips taken by a non-member with a sponsoring-club during the club's fiscal year.
- Non-member also signs sponsoring-club's standard waiver form for each trip taken.
- Sponsoring-club records the non-member as a club member but with the designation of trip-only-member.
- On an annual basis, sponsoring-club reports count of members and trip-only-members to Insurance provider.

Note: LAC strongly encourages all clubs to adopt the above policy if the club allows non-members to participate in the club's trips.
